

Work Hard	Be Kind	Have Passion
<p>Subjects plan a high quality, ambitious, well-sequenced, broad and balanced 7-year curriculum.</p> <p>The curriculum has subject-specific rigour, so that students gain disciplinary knowledge, as a result of the acquisition of this knowledge, students should know more, remember more and do more.</p> <p>All subjects will :</p> <p>Check students' understanding of knowledge to identify and correct misconceptions, aid long term memory and inform teaching.</p> <p>Teach content which is sequenced so that new knowledge and skills build upon what has been taught before.</p> <p>Read high quality texts that challenge students to read at an age-appropriate level and improve fluency.</p> <p>Include explicit vocabulary instruction for tier 2 and 3 words in all subjects.</p> <p>Use assessment to help students embed and use knowledge fluently, to check understanding and inform teaching and understand different starting points and gaps.</p> <p>Develop oracy skills through turn & talk, debate and presentation as well as consistent class contributions.</p>	<p>We implement a diverse inclusive curriculum that is designed to give all learners the knowledge they need to achieve and thrive in later life:</p> <p>All subjects consider the representation and inclusion of different groups in society in curriculum mapping and reflect fundamental British values and cultural diversity.</p> <p>Our programme of personal development enables students to develop spiritually, morally, socially and culturally.</p> <p>Our PSHCE programme provides opportunities for students to develop character, resilience and independence.</p> <p>All students take Religious Studies through to GCSE to learn about different religions and beliefs, developing empathy supporting the spiritual, moral, social and cultural development of students.</p> <p>An in-house careers advisor helps to prepare students for future education, employment and training. All students have access to Unifrog and our Key Stage 5 offer provides a clear pathway to University and Apprenticeships.</p> <p>Our programme of personal development includes whole year group trips develop cultural capital over 7 years.</p> <p>Wider opportunities for community service and Duke of Edinburgh's Award, Mind Mentors, DEI prefects and Sixth Form subject support develop students as respectful, active citizens who contribute positively to society.</p>	<p>We are passionate about ensuring our curriculum is implemented in line with leaders' intentions and taught effectively, focusing on the most important knowledge or concepts, presenting information clearly, checking students understanding systematically and adapting our teaching appropriately.</p> <p>Subject leads have expert knowledge of the subject they teach and can utilise their autonomy to develop a curriculum they are passionate about.</p> <p>We are passionate about inclusion and closing the gaps for all students. We have a systematic programme of assessments to identify gaps and linked interventions to address gaps quickly.</p> <p>Our approach to teaching is based on evidence-informed understanding of effective teaching and how students learn.</p> <p>Our 7-year journey from KS2-university develops a deep understanding of subjects and prepare students for future learning.</p> <p>Our KS3 curriculum creates a broad and balanced curriculum which is ambitious in breadth and depth of knowledge for all students.</p> <p>Our Specialisms programme in Year 9 develops a deeper passion and depth of knowledge for specific subject areas before GCSE options are made.</p> <p>All students engage in two hours of physical education a week</p>
