

There are various ways of sourcing books to read during the lockdown. You may have borrowed a lot from the school library, or may have lots at home.

I've listed a selection of suggested good reads: some brand new, some classics, some long, some short. I hope there will be a good selection, with something for everyone. I'll send five more each week.

Next to each book, I have shown its price on Amazon. Any classics should be able to be downloaded on to a Kindle App for free.

It is possible to join Buckinghamshire Libraries from home:

from which you can download books using the Libby App:

This is another good way of accessing books for free.
