<p><b>Photography A Level</b></p> <p>Edexcel</p>	<p>You will need access to a camera which focuses effectively and has the ability to take high resolution photographs. A DSLR would be better as this will enable you to explore and experiment with more techniques. A tripod would also support your work but is not a necessity. You will need SD cards for your camera and some form of memory stick to save and transfer work, however I will be requesting you save your work in to your school OneDrive as well as a back-up elsewhere.</p>
<p><b>Physics A Level</b></p> <p>AQA</p>	<p>AQA Physics 2nd Edition A Level, Oxford (or BOTH year 1 and year 2 equivalent books)</p> <p>Scientific calculator (same spec as maths)</p>
