Different Class Schoolwear & One+All School Uniform Collection Units

Different Class schoolwear have teamed up with B Corp schoolwear supplier, One+All to provide uniform recycling collection units for its retail customers to support the reuse of school uniform.

Shockingly, 1.4 million wearable uniform garments are thrown away every year in the UK. By supporting customers with the collection of unwanted schoolwear, we're working together to extend its life, reduce waste, and help families who might otherwise struggle to afford uniform. This is a vital campaign for providing families with high-quality uniforms, helping them to save money, especially during the Covid-19 pandemic. It also helps to protect the environment by encouraging people to reuse their uniforms and not let them end up in waste bins. Parents can visit our offices in Bourne End to drop off or collect uniform from the Pod which will be located in the foyer. No appointment is required and is open to all of our schools. Unfortunately we are unable to take phone requests to check the stock in the Pod.
