

## HGSS offers Primary and Secondary Art and Design workshops for schools

Whole staff training for primary schools include:  
“Teaching drawing as a non specialist”  
“Effective use of sketchbooks at KS3”

Bespoke packages include day workshops for specific year groups or identified student groups.

Various secondary school packages can be offered linking to:  
Raising attainment in the Visual Arts, implementation of effective curriculum design and schemes of work.

Please contact Annie Hearne for more information:
